

THE CD-ROM BEST BUSINESSES TO START NOW!

Home Businesses with Big Futures!

Have you been dreaming about your independence and can't stop thinking of the daily drudgery of the 6 a.m. shift or the hassle and boredom of the 9 to 5 routine? Take the first step today and consider the type of business that would be best suited to your particular needs. You too can join the millions of Americans who have found independence through their own business.

All businesses shown below were especially selected on the basis of: low start-up investment, high profit potential, suitability to operate from home. Each of the 22 Business Start-up Reports covers vital information designed to make your decision in choosing a suitable business as easy as possible.

These important points are covered: Start-up capital required; estimated time to make a profit; estimate of annual revenues, estimate of annual pre-tax profit; key operational and marketing information and much more. All information is based on the latest government and industry data.

Each Business Start-Up Report, 4-8 pages, \$5.00.
